

New Dawn Association Data Protection Policy

New Dawn Association is an international humanitarian, non profit making association. Inspired by the gospel, its aim is to help the most needy, and more specifically, orphans and widows, without race, social or religious discrimination. Today, New Dawn is actively serving in projects in Kenya, Rwanda and Nepal. New Dawn Association is not affiliated to any other group or to a church. It is not the intention or purpose of New Dawn Association to “own” any of the projects it becomes involved with, but to bring encouragement and hope, in many different kinds of ways, into situations and people’s lives where often there has been none.

In 2004 the New Dawn Association was set up and officially registered in France, as a small NGO charity. (Declaration no- W462001472.) In 2009, thanks to a generous donation, the association was also officially registered as a charity in the UK. (Declaration no- 1137292)
